### PROGRAMME 2012/13

Dragons Alpine are delighted to propose the following programme of alpine training and racing for the 2012/13 Winter Season. Places on our camps will be limited therefore we suggest that if you are interested in a camp, let us know as soon as possible.

Our coaches for the camps will be Robin Kellen, Carl Ryding and Colin Tee. We will be supported by other well known coaches as required. Each of the camps will have house parents to assist with pastoral care and camp organisation. If any parent would like more information upon how they can assist in the role of house parent, please email [georgina@dragonsalpine.com](mailto:georgina@dragonsalpine.com)
